*This pattern is my copyrighted design and is made for personal use only. It may not be used for commercial purposes, forwarding, publication, transfer to other persons (wholly or partially) - distribution is prohibited! You may utilize the toy that you make with this pattern as you wish: give it as a present, sell it (but it is not allowed to sell the toy on Etsy!), etc. However, when/if posting pictures of any toys that are made using this pattern on the Internet or in printed publications, there should be reference to me as the author – "crocheted by the pattern of Anna @BannAnnaBears"*

## Mittens Decoration

You can embroider snowflakes on the mittens if you want to. I used wool thread for embroidery. Then you can sew the arms:

## Crochet the carrot nose

For the carrot nose to be tinier I used lighter yarn (lace yarn: 175 m / 50 g) and 1.5 mm crochet hook

**rnd 1:** 5 sc in a magic ring

**rnd 2:** inc, 4 sc [6]

**rnd 3:** 5 sc, inc [7]

**rnd 4:** 7 sc

**rnd 5:** inc, 6 sc [8]

**rnd 6:** 8 sc

you can stuff the carrot nose if necessary for it to keep its shape.

## Face Decoration

- sew the carrot nose;
- before sewing the eyes you should place pin markers where you would like them to be placed as I have already shown in the above picture. Insert the needle where you will fasten the first eye. Pass the needle into the head, exiting at the placement of the second eye. Tighten the thread slightly and repeat the same action in the opposite direction. Repeat this process a couple of times to create indentations where your eyes will be placed:

- you can darken the deepenings so that the eyes become more expressive. To do this, take the usual eye shadow, I used grey color. Then you can sew the eyes-beads:

- embroider the eyebrows and mouth:

- you can add some rouge to the cheeks if you desire:

- and only now you can sew the head to the body, use invisible stitch:

## Crochet the hats and Hats Decoration

When crocheting the hats we'll use unusual way of crocheting: **contractlockwise direction through back loop only** (see Supplement, Method of Crochet). This technique will give us a more elastic fabric and completely different from the toy's that will create the effect of naturalness on clothes.

**rnd 1:** 6 sc in a magic ring

**rnd 2:** 6 inc [12]

**rnd 3:** (sc, inc)\*6 [18]

**rnd 4:** sc, inc, (2 sc, inc)\*5, sc [24]

**rnd 5:** (3 sc, inc)\*6 [30]

**rnd 6:** 2 sc, inc, (4 sc, inc)\*5, 2 sc [36]

**rnd 7:** (5 sc, inc)\*6 [42]

**rnd 8:** 3 sc, inc, (6 sc, inc), 3 sc [48]

**rnds 9-12:** 48 sc

To crochet the first hat ear work in turning rows:

- ch, turn, 9 sc FLO
- ch, turn, 9 sc BLO
- turn, 8 sc FLO
- turn, 7 sc BLO
- turn, 6 sc FLO
- turn, 4 sc, slst BLO

### Crochet the second hat ear

Skip 16 stitches to the left of the first ear and make 9 sc BLO. Then repeat all the 6 rows as when having crocheted the first ear:

### **Crochet the ear**

Make 7 chain stitches.

Start with the second loop from the hook: sc, half double crochet, 3 double crochet, 3 half double crochet in one loop, 3 double crochet, half double crochet, sc.

Finish with slst:

### **Crochet the deer horns for deer hat**

I used fine yarn (200 m / 50 g) and crochet hook 2 mm

**rnd 1:** 5 sc in a magic ring

**rnds 2-3:** 5 sc

**rnd 4:** 5 chain sts, 5 sc

**rnd 5:** skip 5 loops, do not crochet them; finish the row with 5 sc

**rnd 6:** 5 sc

## Hats decoration

- sew the nose-button;
- make some embroidering stitches for the eyes first and then sew on the beads:

- for deer hat sew the horns;
- sew the ears for the piglet hat sharp side outwards, and for the deer - round side outwards.

## Crochet the dungarees

*The dungarees is worked flat in rows back loop only. After each row you do a one chain stitch and then turn. The first stitch of each next row you do in the second chain from the hook.*

### Make 13 ch stitches

rows 1-20: 2 sc, 8 hdc, 2 sc

**row 21:** only 10 slst, then 3 ch and turn

**rows 22-41:** 2 sc, 8 hdc, 2 sc

*after 24<sup>th</sup> row*

**row 42:** 12 slst:

Then crochet along the top:

**row 1:** work through both loops: shift (make alternation) to the end of the row (sc, dec):

**row 2:** BLO: sc till the end of the row:

*front*

*wrong*

## Sew the shorts

- sew shorts from the inside. First, sew along leaving 2 loops till the end of the seam:

- fold the shorts in half and sew along the crotch line:

- the shorts is ready-made:

*front view*

*back view (seam)*

## Crochet the front upper side of the dungarees

*Pay attention! There are alternate sc rows for the back and front loops only. In this case we use turning rows*

Define visually on the front of the trousers the central 9 stitches

**row 1:** in front of you should be the wrong side of the front of the dungaree, crochet from right to left: crochet 9 sc through the back loop:

*wrong*

*front*

ch, turn

**row 2, row 4 and row 6:** FLO: 9 sc, ch, turn

**row 3 and row 5:** BLO: 9 sc, ch, turn

## Crochet the straps

Make chain stitches desired length, then start with the second loop from the hook, crochet sc till the end of the row, finish with slst. Sew the straps and buttons to the dungarees.

*\*\*\* the lovely Baby Girl Winterz's dress is knitted. You can find Dress with Collar Pattern that suits for different kind of toys and dolls in my Stores \*\*\**
