MATERIALS

- Catania de Schachenmayr cotton yarn:
 - Soft apricot Color 263
 - Himbeer Color 265
 - Vanille Color 403
- Crochet hook 2mm.
- Lap maker.
- Safety eyes of 8mm.
- Synthetic stuffing.
- Needle wool.
- Scissors.
- Pins
- Optional: colored beads or something you like for decorations.

For this project I have used the materials described above, but feel free to use those threads or needle numbers that you prefer, taking into account that depending on them, the size of the work can vary.

Amigurumi measures: 11cm high approx

Abbreviations

- MR: Magic ring
- sc: single crochet
- sl st: slip stitch
- inc: increase
- dec: decrease
- Rnd: round
- ():Repeat the sequence in parentheses the times that are indicated after it.

Important data

You should know how to work in a spiral (without closing the rounds) as well as work by taking only the front loops or back loops (as indicated in the pattern.) This pattern is intermediate level, but even if you are starting in the world of amigurumis , I encourage you to take it with patience and encourage you to do it, as it is a good way to practice the basics stitches, as well as to catch easy when making several stitches together and assemble various parts of an amigurumi. No pattern is difficult or impossible, it only requires patience and practice.

Take the materials and here we go !!

HEAD

(With color 263)
