- ** Work in spirals. Do not join, slip stitch or turn unless otherwise stated in the pattern.
- ** Use a stitch marker in the beginning of each round. This will help to mark the first stitch of every round.
- ** Alternative for stitch marker: You can use different colored yarn for stitch markers too. Just place it into the first stitch of every row/round as you go.
- ** Alternative for magic ring: Make chain 2. Work 6sc in first chain.
- ** Yarn suggestions: If you can not find the same yarn, you can buy a different brand of yarn. It must be anti-pilling yarn. Yarn size will depend on your hook size.
- ** If you want my patterns in different languages, check my shop or message me. Flags on my pictures show you the languages of patterns provided.
