### Born with a star for a horn, Kirika is like no other unicorn.

In dreams. At the end of the rainbow. Where fallen stars meet.

That's where you'll probably catch a glimpse of Kirika: the star of the night and most of the day.

Happiness is not by chance, she says.

"I chose to be happy. Therefore I am."

## Head + Body

## Assembly

1. Sew snout onto the side of the head (it should point in the opposite direction of the body) approximately from Round 1 at the top. The snout should look like it's pointing a little upwards.
2. Sew on fringe at the top of the head.
3. Sew on star horn – it should be balanced on one point.
4. Sew on mane. The top of the mane should be positioned approximately below Round 3 of the head/body. The tip should curve slightly to one side – you may secure this with several backstitches hidden on the inner part of the mane.
5. Sew on ears, using the start of the mane as your guide for positioning.
6. Using black crochet thread and a darning needle, sew an upside down "v" for the eyes, one on each side, below Round 6. They should be about one stitch away from the snout.
7. Sew on cheeks below the eyes.
8. Sew on tail.
9. Sew on legs. Make sure their positions allow your unicorn to stand upright.
10. Dab some blusher onto the cheeks to give them a pop of colour!
