★ tutoriels au crochet ★

Thank you for purchasing Fanchon ´s tutorial.

It is a pretty little crocheted bear, she is the little cousin of Gaston, a charming Teddy bear...! The same wools are used, in different colors, to keep the style of tamigurumis.

This tutorial is suitable for beginners. You have to know the basic- and some special techniques. This tutorial contains the bear and her wardrobe.

No particular difficulty. Fanchon is ca. 34 cm, but will be a different size, depending the yarn and hook you use.

You can of course choose your favorite yarn, but please use the one that comes closest to the indications I give you (particular the weight, length and size of the crochet hook) in order to obtain the best body/clothing proportion.

Adjust the size of the safety eyes if you use thicker/thinner wool. It is necessary to crochet tight in order to avoid holes in your work.
