

LOVELAND T RE

SANTA CLAUS

USEFULL DATA

- Most of the pieces are made with a magic ring. It's not necessary to close every round with a slip stitch, this work is made in rounds. When especificed, do it in rows..
- Fill your amigurumi while you work.
- The size of your amigurumi will depend on the size of the yarn and hook that you use. In this pattern I will tell you the size of the hook I use.

List of materials

- Red, beige, white and black yarn.
- 2mm hook (UK 14) and 1'75mm (UK 4).
- 6mm safety eyes.
- Synthethic fiber fill.
- Needle and scissors.

invisible finish

When you finish the last st of your work, work a regular sl st in the top of your turning ch and pull on your loop so it lengthens. Take your hook out of the long loop. Insert your hook from the back to the front in the st next to your sl st. Turn your work around and grab the long sl st loop and pull it through. Cut your yarn tail.
