Assembly

Head and Body:

1. Pin the head onto the body for extra support. You may need to add more stuffing as you sew.
2. sew the head onto the body.

Belly:

1. Pin the belly onto the stomach
2. Sew the belly onto the stomach.

Arms:

1. Take your needle and a long piece of aran yarn. Mark 4 spots on your arms and legs with pins, 2 holes in between each toe. Start in the row of the BLO and about 3 stitches up the arm, embroider 4 toes.
2. Pin the arm in a forward facing angle. There are no particular rows I place them on as it depends on how you stuff, shape, etc. its just better to judge how you want them.
3. Sew the arm onto the body.

Legs:

1. Turn the body upside down with the nose facing away from you.
2. Pin the legs onto the bottom of the body.

There are no special rows for this, just depends on the look you would like. I don't place mine in between any special rows. I just judge based on how the individual doll looks.

3. Sew the legs onto the body.

Nose:

1. Embroider some nostrils with cream thread.

Shell:

1. Place the shell onto the back of the body. Take your yarn and needle and sew the shell on underneath. This may be challenging.

Tail:

1. Pin the tail onto the back of the body underneath the shell.
2. sew the tail onto the body.

Eyebrows:

1. Embroider some eyebrows with black thread.
2. Add some blush to the cheeks.
