ALEXA IS BY YOUR SIDE
JUST HAVING THIS DEVICE
IN EACH ROOM

LIVING now®

YOU ASK, ALEXA ANSWERS

Control home automation through your voice: lights, rolling shutters, burglar alarm, favourite music and temperature, or ask for any information.

alexa built-in

Alexa, what will the weather be like tomorrow?

Note: setting up a routine is required to perform this action". With the "Welcome me home" routine, it is possible to activate lights, rolling shutters and music and set the ideal temperature.

MyHOME_Up system can be managed with the voice also with the Amazon Alexa and Google Home voice assistants.
