EMPLOYEES OF VIETNAM FORTRESS TOOLS JSC PARTICIPATE IN PROGRAM OF IMPROVING PRODUCTIVITY, QUALITY, AND BUSINESS EFFICIENCY

In order to promote the emulation movement of improving productivity, quality, production and business efficiency, Vietnam Fortress Tools JSC has launched "Emulation program to improve productivity, quality, efficiency of production and business activities" in the whole company. The program receives initiatives and ideas to improve productivity, quality, and efficiency of production and business activities in all activities of the company such as: saving materials, labor, electricity and water in manufacturing and business; improve productivity and product quality; prevent fraud and theft; detect errors in product design and manufacture; make use of available resources that have not been used or have not been used at full capacity; how to preserve goods, raw materials, machinery and equipment;...The company has appointed senior managers to the Appraisal Council to evaluate the initiatives. The reward evaluation is conducted on a quarterly with the award structure as follows:

- First Prize: 5,000,000 VND
- Second Prize: 2,000,000 VND
- Third Prize: 1,000,000 VND
- Consolation Prize: 500,000 VND

The Company's employees have actively given initiatives and ideas to participate in the program. After screening the initiatives and ideas to participate in the program, the Appraisal Council evaluated and selected 04 creative ideas that brought about the company's effectiveness of 4 employees from different departments. On April 29, 2022, the Chairman of the Board of Directors on behalf of the Company awarded prizes to the winning staff.

The program is still in progress. The company encourages employees in the company to contribute ideas to improve productivity, quality and efficiency of production and business activities, making a positive contribution to the development of the business.
