Aurora collection

ELEGANCE OF NATURAL MARBLE

Just like the popular bianco marble, the Aurora collection offers soft-modern style creating a natural and warm space.

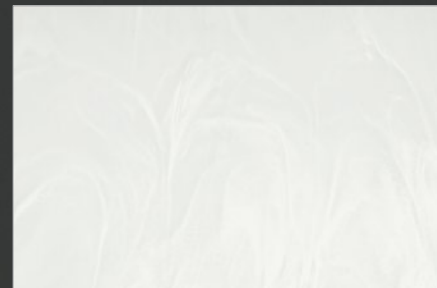

NATURAL SEAM

The beautiful and soft design allows to maintain your satisfaction with less pattern breaks and colour differences at the apron edge, cove backsplash, and seam at the top surface even years after it has been installed.

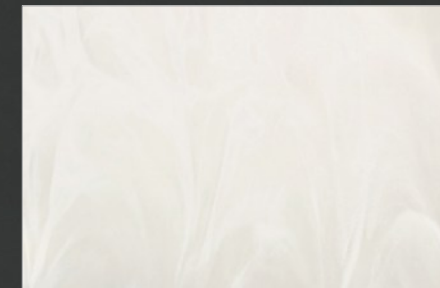

REASONABLE PRICE

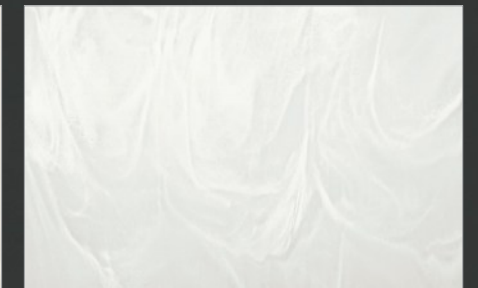

The design does not only highlight the Aurora collection. It is also available at more reasonable prices allowing you to create your own space while still presenting its unique marble design with natural colours and patterns.

Aurora Grey

M608

Perfect with vintage kitchen cabinets for that retro interior look. The pearl finish fits customers who feel burdened by white-coloured kitchen countertops to avoid contamination.

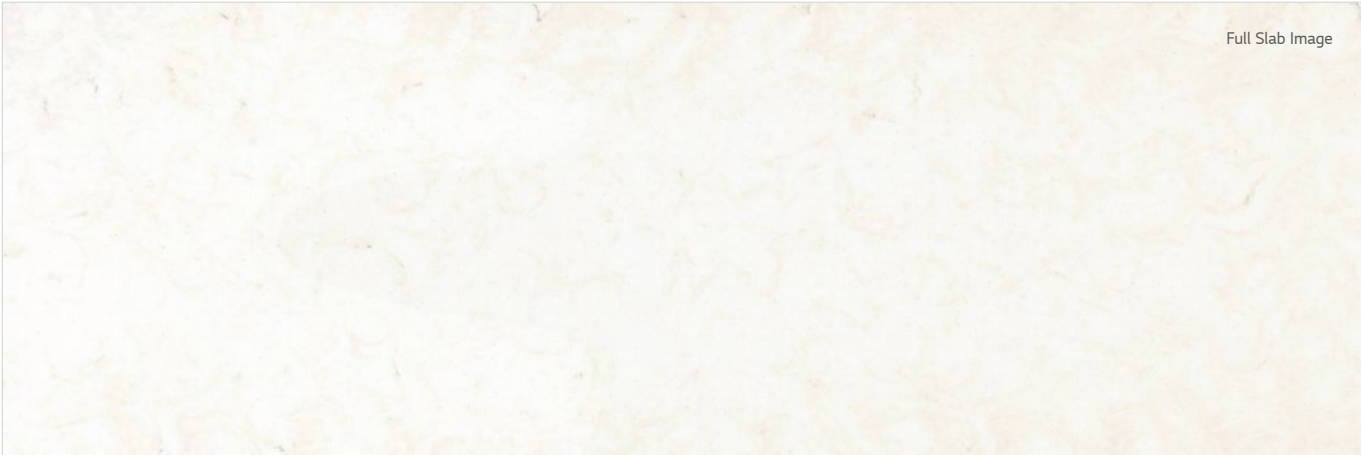

Full Slab Image

Aurora Cream

M607

Provides a warm interior look and fits completely to planteriors. Works great with white, warm grey, and wood-toned kitchen furniture.

Aurora Torano
M601

The thicker and stronger marble
colour enable an elegant and classic
kitchen ambience.

Aurora Bisque

M612 NEW

A neutral, matte warm-toned colour with white and brown tones of vein pattern. It goes well with warm-coloured kitchen doors such as warm-grey, or wood. Not only Scandinavian-style kitchens, but also low-chroma, colour-toned bathroom interiors.

Aurora Greige

M613 NEW

It's a near-beige grey colour tone that reflects the latest trend interior colour. It works with white or warm grey toned kitchen doors.

Aurora Umber

M614 NEW

Brownie grey colour with bright warm grey and dark brown-toned vein pattern.
We recommend for the dark modern interior of the kitchen and bathroom as a point.
