Tsarine Champagne

Tsarine Champagne is available at The Champagne Company and was created by Maison Chanoine founded in 1730. Leading aspects of French life, culture, fashion and language resonated greatly within high society at that time and one of France's most important and beautiful illustrations was most admired – Champagne.

As true entrepreneurs, the Chanoine Brothers traveled to the different courts of Europe to introduce their wines because at that time, champagne was beginning to enjoy a profound popularity and the Court of the King of France via England, Germany or Imperial Russia, Chanoine Frères champagne was served on the noblest tables.

Today, Tsarine's Rosé cuvée, created by Chef de Cave Isabelle Tellier, has won more than 50 awards in France and internationally since its launch in 2003. The latest distinctions since the start of 2023 include this gold in the Concours Mondial de Bruxelles and gold medals in both the Grand International Wine Award Mundus Vini and the Berlin Wine Trophy worldwide competition.
