# CHRISTMAS DECORATION C A T A L O G U E

Chocolate Graphics chocolates are not only delightfully delicious but each sends a very sweet message as well. Each chocolate features a raised chocolate design of the customer's choice. Any design, message, logo or photograph can be put onto the chocolate with a wide range of colors and flavors available.

Each of our chocolates has an embossed chocolate design and uses a process far more advanced than simply printing on chocolate. The Chocolate Graphics process is unique and results in a product that is entirely made of chocolate. All our production processes are HACCAP Certified and FSSC Certified to ensure our products comply with the Best Quality Industry Standards.

Logo process: chocolate Graphics Vietnam was franchised from Chocolate Graphics International with high quality. We give your creations a unique finishing touch by decoration on Chocolate. Your freedom to print anything, anywhere on chocolate.

# METALLIC COLORING

## COOL SPRAY COL4003

Ideal product for the instantaneous cooling of sugar-based products and chocolate. Perfect to facilitate your work for chocolate pieces. Keep the spray fairly close to your liquid chocolate or sugar for instant solidification. Avoid contact with eyes or fingers. Standard content: 400ml

## SHINY SPRAY COL4002

Ideal product for adding extra shine to your products and preserving them from oxidation. Ideal for all your chocolate/sugar/marzipan pieces. Keep the spray at a distance of about 200mm and make sure your entire piece is covered to avoid cracking the layer. Note that one layer of spray is enough. Standard content: 400ml
