

Kathryn® Comfort Height®

One-piece compact elongated chair height toilet
K-3940

Features

- One-piece toilets integrate the tank and bowl into a seamless, easy-to-clean design.
- Compact elongated bowl offers added comfort while occupying the same space as a round-front bowl.
- Comfort Height® feature offers chair-height seating that makes sitting down and standing up easier for most adults.
- 1.28 gpf (4.8 lpf).
- Concealed trapway and Clean Caps® facilitate easier cleaning and enhance design.
- Left-hand Polished Chrome trip lever.
- Glenbury™ Quiet-Close™ seat closes quietly and quickly unlatches from the toilet for easy removal and convenient cleaning.
- Coordinates with other products in the Kathryn collection.

Technology

- Single-flush gravity uses the force of gravity and a precision-engineered tank, bowl, and trapway to create a strong siphon during flushing.
- AquaPiston® canister allows water to flow into the bowl from all sides (360°), increasing the power and effectiveness of the flush.
- Flush valve's 3:2 ratio harnesses the natural force of gravity and optimizes flush performance.
- Durable canister design has 90% less exposed seal material than a 3" flapper for leak-free performance.
- Light-touch canister flush requires a lower actuation force than a flapper.
- AquaPiston® canister flush valve optimizes flush performance and resists warping and deterioration.
