

DIAMOND Dressing table

Designer: Giovanni Cagnato

Year: 2015

DESCRIPTION

The dressing table of the Diamond collection is elegant and functional, it consists of a wooden structure in glossy lacquered finish with curved side sections covered in leather. The wooden central drawer is in glossy lacquered finish, as well as the top that hides a tilting mirror. The padlocks, the base and details in gold metal enhance the luxury of this complement. The Diamond dressing table is available in different finishes as per sample book.

The company reserves the right to make changes to the models without notice. The information given here is based on the latest data published on the price list.
