

MADISON Rectangular table

Designer: Andrea Bonini

Year: 2017

DESCRIPTION

The rectangular table from Madison collection is designed to give space to conviviality. The structure made of a single piece where the legs become curved wing downwards, is made in glossy lacquered wood. The leather inserts on the sides and the light gold metal insert that runs through all the top transfer elegance to the model, suitable to furnish modern dining spaces. Madison table is available in different finishes included in our collection.
