Designer: Andrea Bonini

Year: 2017

### DESCRIPTION

The sofa of Madison collection has a strong retro identity, its design takes inspiration from the leather seats of vintage cars of the 50s. Madison is a 360 ° livable sofa totally covered in leather or fabric, except for the wooden base only . The combined lounge and armchair are designed with vertical lines on the backrest, creating a living room with its own personality, capable of being rich without any other accessory decoration. Madison sofa is available in different finishes as per sample book.
