

MELTING LIGHT Bedside table

Designer: Frank Jiang

Year: 2018

DESCRIPTION

The bedside table of the Melting Light collection has elegant and refined lines, it is equipped with two drawers covered in leather enriched by a staggered wave motif that hides the handles. The bronzed glass top is equipped with a wooden drawer for objects which can be optional with or without internal lighting. The details in brushed gold metal underline the shapes. The Melting Light bedside table is available in different finishes as per sample book.
