

MELTING LIGHT Sideboard

Designer: Frank Jiang

Year: 2017

DESCRIPTION

The sideboards of the Melting Light collection are available in two models, one with sliding front doors, one with 4 hinged doors. The sideboard with sliding doors has an upper compartment with flap doors, the front part is available with leather or natural wood upholstery. The sideboard with hinged doors has a natural wood structure and a marble top, with leather applications to embellish the structure. Melting Light sideboards are available in different finishes as per sample card.
