LIFT POSITION
In the lift position, the backrest is tilted through the lift mechanism. This allows you to get up from the sitting position. You need help in standing up from the sitting position.

TV POSITION
TV or reading position where the back keeps the feet at a comfortable height. The backrest is tilted to provide comfort to the legs. This position is also available with 1 motor clear thanks to the pre-heated function.

TOTAL RELAX POSITION
This full reclining position is achieved after the complete opening of the back, seat and footrest.

POSITION LIFT (RECLINER)
In position lift, the recliner is raised by the lift mechanism. This allows you to get up from the sitting position. It is difficult to sit in the lift position.

POSITION TV
TV or reading position where the back keeps the feet at a comfortable height. The backrest is tilted to provide comfort to the legs. This position is also available with 1 motor clear thanks to the pre-heated function.

POSITION RELAX TOTAL
This position allows you to relax completely. The backrest is tilted, the seat is tilted, and the footrest is extended.

LIFT POSITION (ADJUSTABLE)
In lift position, the recliner is raised by the lift mechanism. This allows you to get up from the sitting position. It is difficult to sit in the lift position.

TV POSITION
TV or reading position where the back keeps the feet at a comfortable height. The backrest is tilted to provide comfort to the legs. This position is also available with 1 motor clear thanks to the pre-heated function.

ENTSPANNUNGSPPOSITION
Diese ermöglicht eine totale Entspannung in Liegeposition, mit komplett nach hinten verstellten Rücken und aufklappbarer Fuß-Stütze.
