## QUALITY BLENDER

www.santos.fr

### Powerful and efficient

- Powerful commercial motor, very silent.
- New blades, highly resistant, for a maximum efficiency on all kinds of preparations (liquids and solids).
- Speed variation from 0 to 15000rpm and pulse: 18000rpm.

### Safe

- Exclusive patent: Santosafe® locking system for bowl and cover. The motor stops when opening the locking system.
- 2L (68 oz) or 4L (136 oz) bowls, stainless steel or transparent (without bisphenol A)
- Removable lid to safely add ingredients while blending

### Easy to use

- Hands free use thanks to the locking system for bowl and cover.
- Possibility to add ingredients while blending thanks to the filler cap on the cover.
- Easy cleaning: removable bowl, blade, cover and cover seal.

### Choose the speed according to your preparations
